Website: needs to say "view more" instead of the three lines. Inquiry is in waiting for response.

Went over "teasers" on events.

“BIG” events: can have sub events for people to sign up to specific events within the main event. Will take the guess work out of the night before who’s going where situation we have had on previous PA trips and such.

CDJW 101: next 2 events try to really push more attendees. Maybe spread the event. One at Curtis. And one someplace else.
